Thank Selena, It's really beautiful photos and that will give a good oil.

Sorry I forget to give you me report regarding the last shipment.

I thinking that I already send an email to you but look like I forget to send it.

In fact I was thinking to send a message to you boss to explain how perfect was your work and I traveled a lot that last four months.

You really pay attention to my need and the result is that I am very happy.
